## How to participate:

- Get a Field Note Guidebook from the Library. You'll use it as you complete tasks and earn your accomplishment stickers this summer. Put your name in it and keep it with you.
- Each week has a theme (a "vibe") with a corresponding library collection challenge and a themed program. You have an informational sticker in your notebook explaining each week's challenges.
- For each challenge you complete and/or program you attend, you will get an accomplishment sticker to add to your field notes guidebook.
- Each sticker is worth 1 raffle ticket you can use to enter to win fabulous prizes at the end of the program!

And look out for an appearance from Wigs Wiggin, Super Sleuths! Our detective friend will make an appearance again this summer with the chance to earn two additional tickets!
