

SRP 2020 Fantasy Photo Scavenger Hunt

You must submit photos of all of the following items to qualify for the grand prize. All photos must be your own (not scanned from the internet, etc.) although I will accept photos of book covers or interior illustrations if the title is included in the caption. Some items are very straightforward, while others will require some thought, creativity, and/or planning. Thinking outside the box is encouraged! There are 50 items listed below, some with multiples required- 65 items in total. Each photo must have a caption so I can tell which item it represents. If several items are present in an image, please note each one. If the picture is not a straightforward representation of the item, please include an explanation- it can be as long or short as you'd like. No credit will be given for uncaptioned photos.

There will be a prize for the first person to complete the list, and then everyone who completes the list by the deadline will be entered for the grand prize. There may be additional prizes awarded at Lucia's discretion for things like Best Composition, Best Picture, Most Creative Interpretation, Funniest, etc., so make sure your shots are clear & carefully taken, and HAVE FUN! Those who submit 10 items by July 10th will each receive a small prize. Final entries will be due August 15th by 5pm. All entries can be submitted in a Google Photos album shared with Lucia at LibraryLu79@gmail.com.
